Oxford University Press Inc. Hardback. Book Condition: new. BRAND NEW, Theodor Seuss Geisel, Donald E. Pease, Dr. Seuss' infectious rhymes, his blue-tufted, strong-willed creatures, and his knack for pithy, roundabout plots have been entertaining children and adults for decades. And as Donald Pease shows in this marvelous biography, the seemingly haphazard trajectory of Theodor Geisel's life bears a close resemblance to the zigzag plot lines of his children's books. Given unprecedented access to Dartmouth's extensive Geisel holdings, Pease captures this life in full as he offers fresh insights into the sources of Geisel's creativity, from his surreal images to his anti-authoritarian stance and slapstick humor. Readers are treated to many lesser-known illustrations, such as his censored creations during college, insecticide ads, and wartime political cartoons-all of which offer a glimpse of his early artistic style and the...
