Createspace, United States, 2010. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Learn Italian Through Reading and Writing If you are hesitant about learning Italian, whether because of arcane rules of grammar or confusing explanations, the Elementary Italian Grammar for Reading and Writing (with exercises) might just be the book that will change the way you think about foreign languages. Using a step-by-step method of teaching languages, this Elementary Languages grammar book starts with the most basic concepts of the Italian language, with clear and concise explanations of how the language works, and plenty of examples to illustrate each explanation. Each chapter ends with a few simple exercises to help you use Italian right from the start. Full answers to all the exercises are found at the end of the book. With each lesson, you will learn not only new vocabulary words, but how to use them correctly in different situations. And with three levels to choose from (elementary, intermediate, and advanced - Levels 1 through 3), you will be impressed with how well you can learn Italian !.
