

Early Numeracy Interview-Revised Interventions: Activities to Support the Achievement of Benchmarks

By Laura F. Main

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 62 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. Early Numeracy Interview-Revised Interventions are activities designed to be targeted and individualized for K-4 students who are having difficulty achieving the benchmarks on the Early Numeracy Interview-Revised. There are also suggestions for activities for students who are exceeding the benchmarks and are in need of enrichment in the area of math. The interventions are designed to assist math curriculum coordinators, math coaches, elementary classroom teachers, and special education teachers with activities that are appropriate and enjoyable for their students. This book is the third in the series, Elementary Math Intervention, and the activities are designed to be used in the context of Response to Intervention. This item ships from La Vergne, TN. Paperback.

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.
