New Growth Press, United States, 2014. Paperback. Book Condition: New. 189 x 144 mm. Language: English . Brand New Book. In an increasingly sexualized world, its difficult to know how to teach your children about their sexuality in a godly way. On the one hand, you dont want to give the impression that sex is bad or make them feel ashamed of their bodies. But on the other, you dont want to reinforce the message, If it feels good, do it. How do you instill a godly view of sexuality into your child without just giving them a list of donts? From his years of ministry on sexual issues, David White equips you to help your child form a positive, biblical framework for their sexuality. He walks you through how to build a basic foundation for understanding Gods purposes for sex, as well as giving you tips for how to address more complex issues that may arise as your child grows older and more aware of other expressions of sexuality.
