## Why Greed is Great: Time to Create your Money (Life Balance)

By Deepali Sen

Shroff Publishers & Distributors Pvt. Ltd., 2013. Softcover. Book Condition: New. What is this book about? It all started with my friend asking me to write a book for him on 'what ticks money?' in general and 'financial planning?' in particular, both in a simple and user-friendly way. The need lay in the fact that there's a lot of ignorance on this matter, when it's really very simple to understand. While people from the financial services industry may have a fairly decent understanding of the subject, for all others (which is an exponentially bigger audience) it lies within touching distance of rocket science. I have been fortunate to be associated with an industry which worships money. The experiential learning here is immense. How and when people respond to greed or fear, in itself, is a teacher. Different people react differently to these two emotions, under similar set of circumstances, at the same point of time. One's perspective, one's reading of the situation drives one's response. Equanimity (quality of remaining calm and composed) is rarer than a blue moon. In an unending race of time, fear hands over the baton to greed which in turn hands it back to fear. And...
