BRAND NEW, A Treasury of Miracles for Women: True Stories of God's Presence Today, Karen Kingsbury, Few things are as powerful as the love of a woman for those others in her life. Love is enduring, forgiving, understanding and unending. So often, it is the one certainty in our lives, as is the love God has for His children - a thousand times over. A Treasury Of Miracles For Women is a collection of poignant and true stories about ordinary women touched in extraordinary ways. Within its insightful pages are unexplained miracles, answers to prayer and angelic encounters - all of them centred around women. Women who are sisters, mothers, daughters and friends. Whether it is through the gentle nudge of maternal conviction or the true sacrifice of self, each story in this extraordinary treasury reveals that God is at work in our lives. Each one reminds us how precious and close to heaven is the heart of a woman and that, even as we love, so we are loved.

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
