Brand New Book ***** Print on Demand *****.Excerpt from Syllabus of a Course in the Principles of Educational Administration The course for which this syllabus has been prepared is planned to present the fundamental principles of educational administration. It extends through the two semesters of the academic year. The topics included are those which should be covered in a first course for superintendents of schools. In Teachers College the course outlined in this syllabus is frequently elected by teachers, by elementary and high school principals, and by general and special supervisors. Intelligent and sympathetic understanding of the problems of organization and administration of schools is necessary for those who would render constructive cooperation to the school executive. A course such as is outlined in this syllabus might well be required of all who are to enter the teaching profession. The syllabus is organized in two main divisions. The first semester's work may be described briefly as covering the field of educational administration as determined by national, state, and county support, control, organization, and supervision. The second part of the syllabus organizes the field...
