aPress, United States, 2011. Paperback. Book Condition: New. New.. 232 x 188 mm. Language: English . Brand New Book ***** Print on Demand *****.With Practical SharePoint 2010 Branding and Customization, SharePoint branding expert Erik Swenson cuts through the fluff and discusses accessible, easy-to-understand consulting and processes to create aesthetically pleasing, highly usable branded and customized SharePoint websites, both internally and externally. Designed to be a quick reference, how-to guide that lets you dive straight into the task at hand, you ll find this book s attention to detail and pragmatism make it an attractive companion during your branding experience. SharePoint 2010 deployments are more common than ever, as is the desire to make the environment branded and attractive to both internal and external clients. However, since SharePoint is more than just a collection of web pages, customizing the look and feel and completing the process of branding the platform itself is complex and requires a knowledge of web development, web design techniques, and a familiarity with SharePoint administration--a curious niche, to be sure. And sometimes, you just need to make quick fixes, while at other times, building an entirely customized and branded environment is a multi-step process with lots of stakeholder buy-in and development time required. Whether you re interested in applying just a touch of style to a team site, or you re branding a public-facing Fortune 500 website based on SharePoint, Practical SharePoint 2010 Branding and Customization is the only book you ll need to quickly, easily, and efficiently brand and customize your environment. Bonus: Includes the SharePoint 2010 Branding Starter Kit! This kit has everything you need to jumpstart successful and compelling designs. The kit includes a layered Adobe Photoshop file of a SharePoint 2010 site, two pre-built visual design examples, and a Visual Studio solution you...
