Brand New Book ***** Print on Demand *****.Would you like to create a successful couple relationship? The how to skills that you need are in this book. We are naturally programmed to be in relationships but we don t always have the tools that we need to communicate effectively and make things work. In Relationship Success: How To Be Happy Together you will discover how you can make personal changes and still keep your self while staying emotionally connected to and growing with your partner. You will learn from real life examples how to create a satisfactory relationship that maintains your individualism and at the same time builds what I call Togetherness Happiness. One of the main reasons many couples struggle with their relationship is that marriage places a unique expectation on both people. They no longer can think only of themselves but they also have to think in terms of the partnership they have created. Together they have become: WE. The key to creating healthy relationships is to think of I and WE at the same time. From now on, each partner has to take responsibility for personal growth and happiness and at the same time nurture their life together. Each person has to be constantly aware of two opposite pulls that are part of marriage: the individual and the partnership. I will help you learn how to manage these two opposites successfully. It takes practice to be conscious of both forces. Some couples, as they focus on their own careers and growth, forget that their togetherness has to be infused with loving energy in order to remain vibrant. They may be handling most of the daily living together tasks successfully but take the...
