Challenge badges are appropriate for use with school classes and youth groups, and are endorsed by WAGGGS and WOSM. They include a wide range of activities and ideas that can easily be adapted by teachers or leaders. Additional badges are available or are being developed on a number of other topics, including: Agriculture, Biodiversity, Climate Change, Energy, Forests, Governance, Hunger, Nutrition, Soils and Water. The Ocean Challenge Badge is designed to help educate children and young people about the vital role the ocean plays in supporting life on Earth. The badge looks at how people live by, explore and use the coast, the seas and marine products, describing the effect this has on the marine environment and offering ideas on how individuals can take action to help make this close relationship more sustainable.
