Atria Books, United States, 2010. Paperback. Book Condition: New. Reprint. 210 x 138 mm. Language: English . Brand New Book. Baldwin s Harlem is an intimate portrait of the life and genius of one of our most brilliant literary minds: James Baldwin. Perhaps no other writer is as synonymous with Harlem as James Baldwin (1924-1987). The events there that shaped his youth greatly influenced Baldwin s work, much of which focused on his experiences as a black man in white America. Go Tell It on the Mountain, The Fire Next Time, Notes of a Native Son, and Giovanni s Room are just a few of his classic fiction and nonfiction books that remain an essential part of the American canon. In Baldwin s Harlem, award-winning journalist Herb Boyd combines impeccable biographical research with astute literary criticism, and reveals to readers Baldwin s association with Harlem on both metaphorical and realistic levels. For example, Boyd describes Baldwin s relationship with Harlem Renaissance poet laureate Countee Cullen, who taught Baldwin French in the ninth grade. Packed with telling anecdotes, Baldwin s Harlem illuminates the writer s diverse views and impressions of the community that would remain a consistent presence in virtually all of his writing. Baldwin s Harlem provides an intelligent and enlightening look at one of America s most important literary enclaves.
