Global Significance of Indo-Russian Strategies

By V.D. Chopra

2005. Hardcover. Book Condition: New. 308 In the beginning of the 21st century, significant changes are taking place in the international situation and relationship among the various countries of the world. The world as it is today is unipolar with the United States as the dominant economic and military power. This indeed is the most outstanding development of the period following the disintegration of the Soviet Union. But this is half-truth. Now the world is witnessing new changes and this will have a far-reaching impact in the coming decades. Quite apart from the fact that multilaterally, bilateralism and regional formations have begun to taken shape, the most outstanding feature of the international situation is that new political and economic powers have surfaced on our planet. The most important development of this period is that China, Russia, India and Brazil have emerged as major economic owners and the years to come these four countries will become key factors in the world. It is in this context that an attempt has been make in this book to make a study of the global significance of Indo-Russian strategic partnership. Indo-Russian strategic partnership with its multidimensional character; political, military and economic, therefore will be...
