Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE ELDERLY ARE (PAPERBACK)

Page Publishing, Inc., United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When you come to old age, do you see yourself living in a nursing home? Do you have plans to send your loved ones to a nursing facility once they are old? What do you think is the everyday living conditions of people in a nursing home? We always have a choice-we can show our love through words and/or actions. When our family member decides or needs to be taken in to a nursing home, it never means our physical attachment to them has ended. They need us more than ever now that they are alone and in a new environment surrounded with strangers. Who knows what could happen to them? What if they will be treated badly? What if their medications are not given on time and in the right dose? We need an insider s information about life in nursing homes to guide us on what to do during decision-making times and how to handle uncalled-for situations. The Elderly Are gives practical advice on how to be a wise and loving family involved in taking care of your resident loved one. Author Sharon Jones shares stories of scenarios that can make you realize how important it is to be alert and physically present for your loved one in the nursing home.
