Reviews

This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composes this pdf.

OCLC Number: 56094900 Excerpt: . . . 4 STATEMENT OF JERRY LEWIS, A REPRESENTATIVE IN CONGRESS FROM THE STATE OF CALIFORNIA EWIS Mr. L. First, thank you very much, Chairman Pombo, for bringing the Committee here and providing this opportunity for the community to begin to understand the response of the Congress to this tragedy. I would like to say, Mr. Chairman, you were here on September 22, just weeks before a tragedy struck, but we all knew in the offing was not just this challenge but the reality of a poten-tial disaster. We have experienced a significant piece of that dis-aster, but I know that your Committee members flew by helicopter over the mountains just this morning to look one more time, first at the damage, but the remainder only somewhere at a maximum 10 percent, but more likely five percent of the bark beetle infested trees were impacted by this fire, which means that lightning strike could lead to an inferno tomorrow. The challenge is still very, very much ahead of us. And I do not know how we are going to go about eliminating all of those millions of dead trees, but we must do that and it is going to take years and millions and millions of dollars as well as effort and man-hour support and the like. Mr. Chairman, as we came in this morning, I noticed some protesters out front with signs who would suggest that maybe we should not cut trees, that maybe there is some way to do this by waving a magic wand. I absolutely feel strongly for those who are concerned about our environment. You know of my past involve-ment in air quality questions in California...
