

North American Lake Monsters: Stories

By Nathan Ballingrud

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. In this striking and bleak, yet luminous debut collection, Nathan Ballingrud, winner of the inaugural Shirley Jackson Award, uses the trappings of the Gothic and the uncanny to investigate a distinctly American landscape: The loneliest and darkest corners of contemporary life. Ballingrud's stories are love stories. They're also monster stories. Sometimes the monsters collected here are vampires or werewolves. Sometimes they wear the faces of parents, lovers, brothers, or ex-wives, and sometimes they wear the faces we see in our mirrors. The people in these stories—sex-cons, single parents, unemployed laborers, kids seduced by extremism—are stranded by life, driven to desperate acts by love and a longing for connection. Sometimes they're ruined; sometimes redeemed. They are always recognizably, wonderfully, and terrifyingly human. Even at their most monstrous.

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.
