Excerpt: . . . 12 purchases of raw and processed foods through the food stamp, WIC, school lunch, and other food relief programs. Californias potential share of these program dollars could be enhanced through modifications and streamlining of the guidelines and regulatory oversight, both at the State and National levels. Specialty crop block grants managed through the State Departments of Agriculture have been shown to be extremely effective in dealing with the wide range of products and regionally distinct distribution channels for specialty crop product producers. A nationwide commitment to the viability and enhancement of specialty crop industries can be accomplished through increased investment in these State-driven grants. Coordination with National and State nutrition policy can also create excellent partnerships with farmers in rural and urban communities. The second question you had asked, What are some of the export-related challenges for California growers, particularly in light of...
