KICK MENSTRUAL CRAMPS IN THE NUTS

Words to Spare, LLC. Paperback. Book Condition: New. Paperback. 220 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. KICK MENSTRUAL CRAMPS IN THE NUTS is brought to you by touring comedian turned natural health expert, T. C. Hale (aka Tony Hale). Not only will Hale have you laughing out loud while he reveals the secrets behind cramps and how the human body functions, you will also learn how to look at your own body chemistry to understand the underlying cause of YOUR menstrual cramps. Since the reason cramps can exist varies from person to person, once you understand what is going on with your chemistry, this book will help you understand what foods, supplements, or lifestyle changes could eliminate your desire to scream at inanimate objects once a month. If you are easily offended or if laughing is too painful while you're cramping, you can read the more straightforward version of this book, DONE WITH MENSTRUAL CRAMPS. Both versions will teach the same science and the same secrets. In this version, the author just gets to crack himself up. Here's what some of Tony's celebrity clients have to say: Working with Tony is like jumping into the arms of your favorite aunt. Except it's not. At all. I mean, his methods work. But it's not like that at all. - Jane Lynch - Gleel confess to being a full-blown gymophobe. (I still have flashbacks of my mean fourth-grade gym teacher!) Tony actually makes the gym panic-attack free. - Tom Kenny - Voice of Spongebob Wait. You mean the short skinny trainer dude with the neon sneakers who writes books about women's menstrual cramps Did he ever get a single menstrual cramp I don't think so. The guy who helps fat people get skinnier Was he ever fat I don't think so. And what's...
