America Star Books, United States, 2008. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Adrienne and her friends gathered at their favorite hideout for a night of stargazing, hoping to get a glimpse at an unusual flying object they had seen exactly one year earlier. As luck would have it, a spaceship arrived and an adventure began. The story is told in opposite to how alien stories are usually told. Instead of aliens coming to planet earth, an astronaut (considered an alien by Adrienne and her friends) goes to planet Zar. The story incorporates lessons about aliens and strangers as well as using the big dipper, horseshoe nebula and planets as background images to promote interesting conversations about the solar system.
