

## The Quest for the Inner Human: A Novel about Psychology (Paperback)

Filesize: 7.86 MB

### ***Reviews***

*This pdf is very gripping and exciting. I could comprehend everything using this created e book. You won't really feel monotony at any moment of your own time (that's what catalogs are for about in the event you ask me).*

*(Miss Vergie Marks DDS)*

## THE QUEST FOR THE INNER HUMAN: A NOVEL ABOUT PSYCHOLOGY (PAPERBACK)

iUniverse, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Psychology means the study of the soul ; it is the social science concerned with investigating who we are, why we have certain feelings, and why we do the things we do. Are we no more than a vast assembly of nerve cells and their associated molecules? Is biology (our genetic inheritance) destiny, or does social upbringing play a crucial role? What are the roles played by Nature and by Nurture ? Are we purely physical beings, or is there an aspect that can be called spiritual ? This thought-provoking novel takes you on a journey of intellectual and emotional exploration, considering along the way questions that we ve all asked ourselves, such as: Is it true that we only use 10 of our brains? Does playing classical music for infants increase their intelligence? Do crime rates go up during a full moon? Can hypnosis, or post-hypnotic suggestions, make us do something we wouldn t normally do? Does subliminal advertising influence us to buy products? Are our memories stored indelibly, almost like a tape recorder? What causes memory lapses as we age? Can repressed traumatic memories be recovered through hypnosis? Do some people have multiple personalities ? How can I tell if someone has a neurosis, or a psychosis ? Do men have an inner feminine side, and women an inner masculine ? Are there innate psychological differences between males and females? The four main characters in this book will guide you through a diverse and sometimes bewildering world of differing approaches to answering such questions, such as Freudian, Jungian, and Adlerian; Humanistic, Existential, and Transpersonal; as well as Cognitive, Emotive, and Behaviorist. Along the way you will...
