Is this the face so close to perfection That age would concede and reverse its direction? With a smile that shines so sparkling bright As would banish the darkness from my loneliest night? Oh blessed night what treasures you hide What secrets you hear which lovers confide Envelop our love in your starry embrace And wrap us together in time and in space For what words can compare so complete a surrender? How bitter to stop, yet how sweet to remember What loving God conceived so euphoric a moment? So intense an emotion, so complete an atonement? Oh Let this love drown all my sorrows A soothing river of sweet tomorrows Its banks arrayed in rainbows of green The prettiest pastures that e'er have been seen. Oh Princess of love, so forgiving in grace You capture my heart with each move of your face In all of my dreams I never did see Such spectacular beauty as stands before me.
