COSIMO CLASSICS, United States, 2008. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.I perceived it to be possible to arrive at knowledge highly useful in life; and in room of the Speculative Philosophy usually taught in the Schools, to discover a Practical, by means of which, knowing the force and action of fire, water, air, the stars, the heavens, and all the other bodies that surround us, as distinctly as we know the various crafts of our artizans, we might also apply them in the same way to all the uses to which they are adapted, and thus render ourselves the lords and possessors of nature. from Part VI of Discourse on the Method Sometimes called the father of modern philosophy, French mathematician, scientist, and writer RENE DESCARTES (1596 1650) continues to have a deeply profound impact on our modern world. His thinking on how the mind works and what is it capable of has profoundly impacted our understanding of ourselves he summed up his philosophy with the phrase I think, therefore I am, which still thrills us and his influence extends to our own experiments with modern computing and artificial intelligence. Here, in one volume, are two of the great thinker s most significant works: Discourse on the Method was written in French and first published in 1637 under the full title Discourse on the Method of Rightly Conducting the Reason, and Seeking Truth in the Sciences its treatise on the value of doubt and skepticism when studying the natural world laid the foundation for the modern scientific method as we still employ it today. Meditations, originally subtitled In which the existence of God and the immortality of the soul are demonstrated, was written in Latin and first...
