## UNTOUCHABLE SPRING

Orient BlackSwan, New Delhi, India, 2010. Paperback. Book Condition: New. First Edition. In the Kings and Untouchables, the author presents the field work done on the vankar, a caste of untouchable weavers in Gujarat. The ethnographic data, collected over two visits spanning over four years, has led her to a re-evaluation of the traditional approach that focussed on the singularity and also the rigidity of the caste in Indian Society. Louis Dumont's Homo Hierarchicus has had a significant impact on anthropological theory. Rosa Perez confronts this western perception of untouchability with the notion of reversibility, and a fresh translation of social norms. Printed Pages: 252. Size: 15 x 23 Cm.
